Cross Road Moments

Every day we are all faced with choices. From the simple and innocuous, through to those decisions which can ultimately change the course of our lives.

There are times where God allows us to come to 'cross road' moments, where we need to make a significant decision. Have you ever been in this situation and every option seems to have merit? Yes or No? Left or Right? Change or Remain the Same? Move or Stay? Door One or Door Two? or in the case of Neo from the movie, 'The Matrix'... The Red Pill or the Blue Pill?

The dilemma is that we cannot just stand by and expect our circumstances to change. Life often requires us to take responsibility and make decisions. We must choose an option, a pathway, a direction.

As followers of Jesus, we understand that God's desire is for us to pursue Him, to 'seek first the Kingdom of God and His righteousness, and all these things shall be added to you.' Matthew 6:33. God reminds us that the ultimate choice we have is whether we are prepared to seek God's will, His direction, His purpose or whether we look to make decisions on our own. Our God is faithful. When we seek Him we WILL find Him. (see Jeremiah 29:13)

So, when you stand at the 'crossroad of life' and consider what direction you choose to take or what decision you should make, be assured that our God is with you. If you let Him, He will lead you down the righteous path, the road He wants you to take.

We are looking forward to going on this journey of faith and adventure with you all as a church community at HumeRidge. Let's give our awesome God permission to be our guide, allowing Him to give us the faith, hope and direction we need to achieve His purposes.
